## December 2025 Newsletter

### Principal's Message

The Liturgical Year begins with the holy season of Advent on Sunday, November 30th. Advent is a time of joyful **HOPE**—a season where we prepare our hearts for Jesus, the Light of the World, to enter more deeply into our lives. Although Christ is always present with us, Advent invites us to pause, reflect on our blessings, and pray intentionally for those in need.

At Pope Francis Catholic Elementary School, our school community will embrace this sacred time through daily prayer, weekly Advent liturgies, and acts of service that reflect our call to be instruments of hope and compassion. Together, we will journey toward the celebration of Christ's birth, growing in faith as a new school family.

As we prepare our homes, our hearts, and our lives for the coming of Christ, my sincere hope is that this Advent season provides your family with moments of peace, reflection, and connection—opportunities to experience the true meaning of Christmas and to welcome Christ anew into our hearts.

On behalf of the Pope Francis staff, I wish each of you a blessed and joy-filled Christmas and a safe, happy New Year.

Kerri Lomax, Principal

## School News and Announcements

### Attendance Reminder

It's important for students to arrive **on time** every day. School starts at **8:30 a.m.**, and any student who is late must **report to the office**. Regular attendance and punctuality help students stay on track with learning and build strong connections with teachers and peers.

We understand that challenges can arise. If your child is struggling with attendance or other concerns, please reach out, we're here to help.

### Transportation Delays, Cancellations & School Closures

With winter weather approaching, we want to remind families how inclement weather impacts bus transportation and school operations. Student Transportation Services Brant Haldimand Norfolk (STSBHN) works with bus companies, meteorologists, and local municipal staff to review road and weather conditions before deciding whether to run, delay, or cancel buses.

Because our district covers a large area, closures may happen in specific zones rather than board-wide. **Pope Francis is located in Zone 2 (Haldimand County)**, so please check updates for our zone. When a zone is closed, all transportation, school buildings, childcare programs, and school activities in that zone are also closed.

STSBHN and BHNCDSD share all cancellations by **6:30 a.m.** on their websites, social media, the Chipmunk App, and local radio/TV stations. Families are encouraged to have a supervision plan in place for days when transportation is delayed or cancelled.

As always, families may decide whether they feel it is safe for their child to attend school when buses are running.
